MEDIA ADVISORY

Several small business owners will join Alderman Robert G. Donovan during a news conference tomorrow at 11:00 a.m. at Faye's Family Diner, 2734 W. Forest Home Ave., to discuss the potential impact proposed anti-smoking legislation would have on small businesses in Milwaukee. On March 2, 2006 the Common Council's Public Safety Committee will hold a special public hearing at City Hall regarding a proposed smoking-ban ordinance that would – with a few exceptions – make virtually all public places in Milwaukee smoke-free. Alderman Donovan is chair of the Public Safety Committee and represents the 8th Aldermanic District.
